Statement of intent

The Aspire Educational Trust deplores terrorism of every kind and of any radical ideology. We will do anything we can to protect our pupils from the threat of terrorism and will not tolerate extremism or radicalisation in our trust schools.

Our zero-tolerance approach to extremism and terrorism includes interventions, exclusions and involving third parties such as the police.

We support and adhere to the latest guidance from the DfE which requires schools to actively promote fundamental British values and to ensure that pupils are encouraged to regard people of all faiths, races and cultures with respect and tolerance.

This policy relates to preventing the radicalisation of pupils in our trust.

4. Safeguarding from extremism

- 4.1. The trust and its schools protect the right to freedom of expression. This policy is not intended or designed to restrict or prevent legitimate and lawful congregation or debate.

- 4.3. As is the trust's responsibility under law, we will do our utmost to safeguard our pupils from being drawn into extremism and terrorism.
- 4.4. The trust and its schools have strong relationships with our local safeguarding partners and will not hesitate to involve them at the earliest opportunity if safeguarding issues arise.
- 4.5. The trust and its schools encourage any pupil, parent, staff member or member of the wider school community to let our DSLs know if they have concerns about:

- Pupils becoming radicalised.
 - Groups, clubs or societies with extremist or radical views.
 - Friends and/or families of pupils becoming radicalised or involved in extremism.

- Is aimed at promoting extremist views.

5. 'Channel' and 'Prevent'

- 5.1. Channel, a key element of the Home Office's Prevent strategy, is a multi-agency approach to protect people at risk from radicalisation.
- 5.2. As a trust, our schools will work with their LA, local law enforcement, and religious and community leaders, to identify children vulnerable to radicalisation and to stamp out extremism if it arises. This includes identifying pupils:
- Displaying feelings of grievance and injustice.
 - Feeling under threat.
 - Searching for identity, meaning and belonging.
 - Who have a desire for status amongst their peers.
 - Who have a desire for excitement and adventure.
 - Displaying a need to dominate and control others.
 - Who have a susceptibility to indoctrination.
 - Displaying a radical desire for political or moral change.
 - Who are susceptible to opportunistic involvement.
 - Who have family or friends involved in extremism.
 - Susceptible to being influenced or controlled by a group.
 - With relevant mental health issues.

6. Preventing radicalisation

- 6.1. The trust and its schools will assess the risk of pupils being drawn into terrorism through identifying the factors that affect children in the local area and knowing how to identify those at risk.
- 6.2. A Prevent Duty Risk Assessment will be carried out for each academy and reviewed annually.
- 6.3. The trust and its schools will always take allegations and concerns of radicalisation and/or terrorism seriously.
- 6.4. The trust and its schools will help pupils channel their desire for excitement and adventure into suitable and healthy activities.
- 6.5. Extremist propaganda is widely available online – the trust and its schools will ensure that British values are promoted regularly to encourage pupils to develop an appreciation of society.
- 6.6. The trust and its schools will work with local religious and cultural organisations to instil a strong sense of identity in our pupils, as well as a clear place and purpose within their school.
- 6.7. The trust and its schools recognise that pupils' parents and families are best-placed to spot signs of radicalisation and, as such, will promote effective engagement with parents and families.
- 6.8. Each school will monitor internet activity that takes place on site, and on any school computers, laptops and tablets off site, and establish appropriate filters to protect children from terrorist and extremist material online, in accordance with the localised E-safety Policy.
- 6.9. In accordance with Keeping Children Safe in Education and each academy's Child Protection and Safeguarding Policy, pupils will be taught about the importance of staying safe online through PSHE/RSE and e-safety lessons.
- 6.10. The trust and its schools are stronger due to our open, multi-faith and multi-racial communities. We will always aim to integrate and engage every child within each school community, and in the wider community.
- 6.11. The trust and its schools will celebrate a range of different religious and cultural festivals across the year giving every child the opportunity to take part.
- 6.12. The trust and its schools will monitor and assess incidents which suggest pupils are engaging, or are at risk of engaging, in extremist activity and/or radicalisation.
- 6.13. Where a pupil has been identified as at risk of radicalisation, the school will take action proportionate to the incident or risk.

7. Making a judgement

- 7.1. Although extremist behaviour can be presented in many forms, the trust and its schools understand the following as the most obvious risk factors:

- Disclosure about extremist or radicalised behaviour by pupils – this could include exposure to materials outside of school
- Use of specific terms associated with certain ideological views, e.g. 'hate' language
- Intelligence reports from local and national agencies regarding the radicalisation of groups of people in the local area
- Focus on specific narratives that highlight particular extremist views
- Evidence of accessing online materials that include extremist materials
- Refusal to accept views expressed by others which are counter to each school's Equality Information and Objectives Policy
- Documented concerns raised by parents or family members about the changing behaviour of the pupil
- References to an extremist narrative in pupils' work
- Disassociation from existing friendship groups
- A loss of interest in activities which they previously engaged in
- Asking questions about identity, faith and belonging
- Behavioural characteristics, such as low self-esteem, isolation, and perceptions of failure and injustice
- Family tensions
- Migration
- Events affecting their country or region of origin
- Alienation from UK values
- Grievance triggered by personal experience of racism or discrimination
- Inappropriate forms of dress
- Property damage
- Refusal to cooperate with the requests of teachers or other adults

7.2. When assessing whether a pupil is at risk of radicalisation, staff will ask themselves the following questions:

- Does the pupil have access to extremist influences through the internet?
- Does the pupil possess or actively seek extremist material?
- Does the pupil sympathise or support extremist groups or behaviour in their speech or written work?
- Does the pupil's demeanour suggest a new social, religious or political influence? E.g. through jewellery or clothing
- Has the pupil previously been a victim of a race hate or religious crime?

- Has the pupil experienced any major disagreements with their peers, family or faith groups, leading to rejection, isolation or exclusion?
- Does the pupil display an irregular and distorted view of religion or politics?
- Does the pupil display a strong objection towards specific cultures, faiths or race?
- Is the pupil a foreign national awaiting a decision regarding deportation or immigration?
- Is there an irregular pattern of travel within the pupil's family?
- Has the pupil witnessed or suffered from trauma or violence in a war zone or through sectarian conflict?
- Is there evidence of a relative or family friend displaying extremist views?
- Has the pupil travelled for extended periods of time to international locations?
- Does the pupil have experience of poverty, disadvantage, discrimination or social exclusion?
- Does the pupil display a lack of affinity or understanding for others?
- Is the pupil a victim of social isolation?
- Does the pupil have insecure, conflicted or absent family relationships?

7.3. Critical indicators include where a pupil is:

- In contact with extremist recruiters.
- Articulating support for extremist causes or leaders.
- Accessing extremist websites.
- Possessing extremist literature.
- Using extremist narratives and a global ideology to explain personal disadvantage.
- Justifying the use of violence to solve societal issues.
- Joining extremist organisations.
- Making significant changes to their appearance and/or behaviour.

7.4. All Aspire Educational Trust staff will undergo Prevent Awareness training every three years.

7.5. The DSL, and any deputies, will undertake regular update Prevent awareness training in order to provide advice and support to staff on protecting pupils from the risk of radicalisation.

7.6. Staff will undergo annual update Prevent awareness training, delivered by the DSL, to ensure that they are up-to-date to recognise indicators of radicalisation.

- 7.7. Staff, including the DSL and any deputies, will also undergo training in response to any updates.
- 7.8. The school will encourage staff to engage with online government resources, including the website Educate Against Hate, and the Prevent e-learning modules provided by the Home Office.

8. Community links

- 8.1. Each school will engage in regular community discussions with local community and religious leaders, and local law enforcement.
- 8.2. The trust and its schools will include discussion about extremism and terrorism in their Board of Trustees and Local Academy Committee meetings.
- 8.3. The trust and its schools will operate an open-door policy for community members to report concerns.
- 8.4. The trust and its schools will open their doors to the community for festivals, religious and other events.
- 8.5. Schools will support a range of charities across the year which represent the school community, including local community groups.
- 8.6. Schools will actively promote engagement in positive activities run locally by accredited organisation, especially during school holidays.

9. Making a referral

- 9.1. In accordance with each school's Child Protection and Safeguarding Policy, if any member of staff has concerns about a pupil, they will raise this with the DSL.
- 9.2. Parents will be contacted to discuss the issue and investigate where there are any mitigating home circumstances, unless doing so would put the pupil at further risk of harm. A decision will be made at this meeting to determine whether a referral should be made to the Channel programme.
- 9.3. The DSL will refer cases to the Channel programme where there is a radicalisation concern, as appropriate.
- 9.4. Staff members may make referrals to the Channel programme if they deem it necessary – the DSL will be notified in all cases and will support staff members who do so.
- 9.5. Staff members will be informed that they may be asked to attend a Channel panel to discuss the pupil who has been referred to determine whether support is required.
- 9.6. The LA's Channel panel will decide which support, if any, is required and arrange for this support to be implemented.

- 9.7. The DSL will follow up any referrals and the pupil will be monitored for a period of time to determine whether there have been any changes in behaviour. Parents will be consulted during this period, unless doing so would put the pupil at further risk of harm.
- 9.8. If any concerns are raised, the DSL will contact the Channel programme to discuss further steps.
- 9.9. The DSL will record and retain all incidents for school records in accordance with the Data Protection Act 2018 and the GDPR, as outlined in the Data Protection Policy.

10. Promoting fundamental British values

- 10.1. Through the curriculum, the trust and its schools will:
 - Deliver a curriculum offering a broad and balanced education.
 - Promote respect, tolerance and diversity.
 - Represent the cultures of all our pupils across the subjects.
 - Progressively and continuously educate children about online safety.
 - Provide regular opportunities for children to explore and express their views.
 - Give children opportunities to develop the skills to think critically, to weigh evidence, debate and make reasonable arguments.
- 10.2. Through our social, moral, spiritual and cultural programme, the trust and its schools will:
 - Enable pupils to develop their self-knowledge, self-esteem and self-confidence.
 - Enable pupils to build resilience, which will put pupils in a stronger position to reject extremist views.
 - Enable pupils to distinguish right from wrong and to respect the civil and criminal law of England.
 - Encourage pupils to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to their school community, to the lives of those living and working in the locality of the school and to society more widely.
 - Enable pupils to acquire a broad general knowledge of, and respect for, public institutions and services in England.
 - Further tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of, and respect for, their own and other cultures.
 - Encourage respect for other people.

- Encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.

10.3. Individual schools will do this by:

- Including material on the strengths, advantages and disadvantages of democracy, and how democracy and the law work in Britain as part of our curriculum.
- Ensuring that all pupils within the school have a voice that is listened to, thus demonstrating how democracy works such as a school council whose members are voted for by the pupils.
- Using opportunities such as general or local elections to hold mock elections to offer pupils the chance to engage in politics from an early age.
- Using teaching resources from a wide variety of sources to help pupils understand a range of faiths, religions and cultures.
- Considering the role of extra-curricular activities to encourage aspiration, community cohesion and in promoting fundamental British values.

11. Policy review

This policy is reviewed annually by the Trust Safeguarding Lead. The scheduled review date for this policy is Autumn 2021.
